

Taxi Information

London & Local Journeys

Zone 1

If your destination is within Zone 1, the driver **must accept the journey** and charge the amount shown on the meter. A fare from Heathrow to Central London (Marble Arch) is approximately £45 - £55.*

Zone 2

If your destination is within Zone 2 the driver does not have to accept the journey but if the journey is accepted the driver must charge the amount shown on the meter.

Zone 3

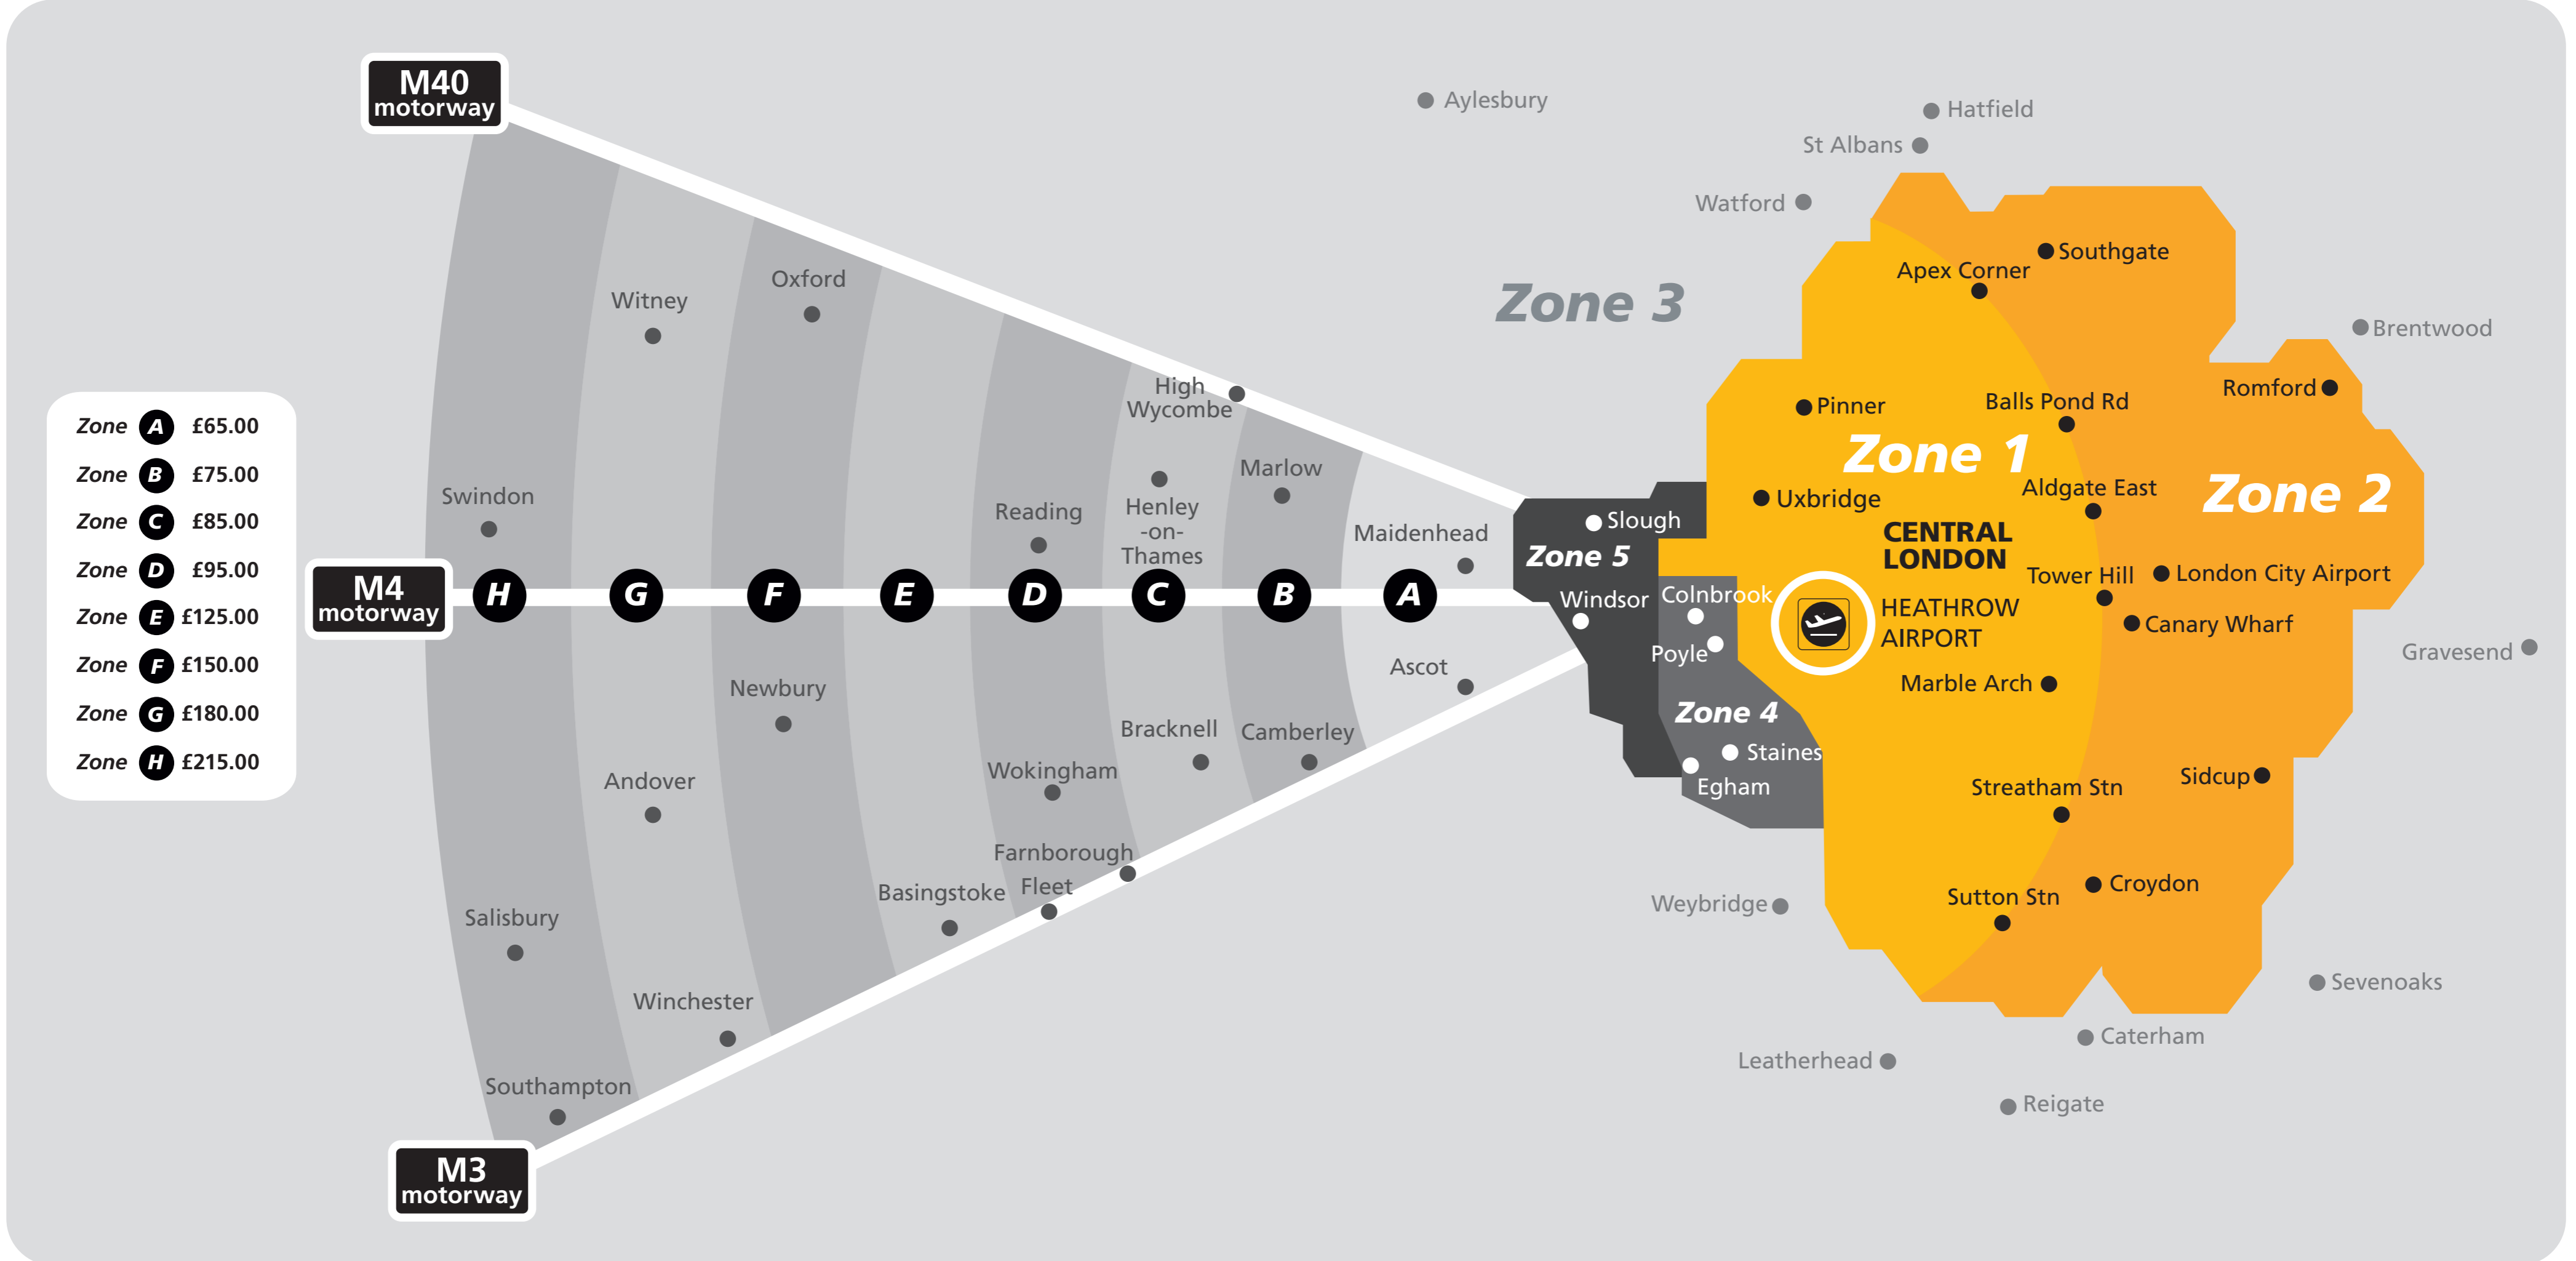

If your destination is within Zone 3 you **should** agree the fare with the driver prior to the Journey commencing. If the fare cannot be agreed then the journey can be undertaken on the meter. The driver can legally refuse to accept the journey.

Zones 4 and 5 - Fare's Fair Scheme

Under the Fare's Fair Scheme journeys to Zone 4 (Borough of Spelthorne, Egham, Poyle and Colnbrook) can be obtained for a fare of £31. Journeys to Zone 5 (Slough and Windsor) can be obtained for £36. The Fare's Fair Scheme is voluntary so check with the rank agent for further details and to find a participating driver.

Look for the Fare's Fair sticker on the driver's windscreen.

*All fares are suggested prices supplied after consultation with the Taxi Trade, the PCO and Heathrow drivers. They are for guidance only. Distances shown are by road. BAA Heathrow does not endorse fares in Zone 3. Information correct at time of publication February 2008.
