AIRSPACE &  
FUTURE OPERATIONS  
CONSULTATION

## MAKING BETTER USE OF OUR EXISTING RUNWAYS

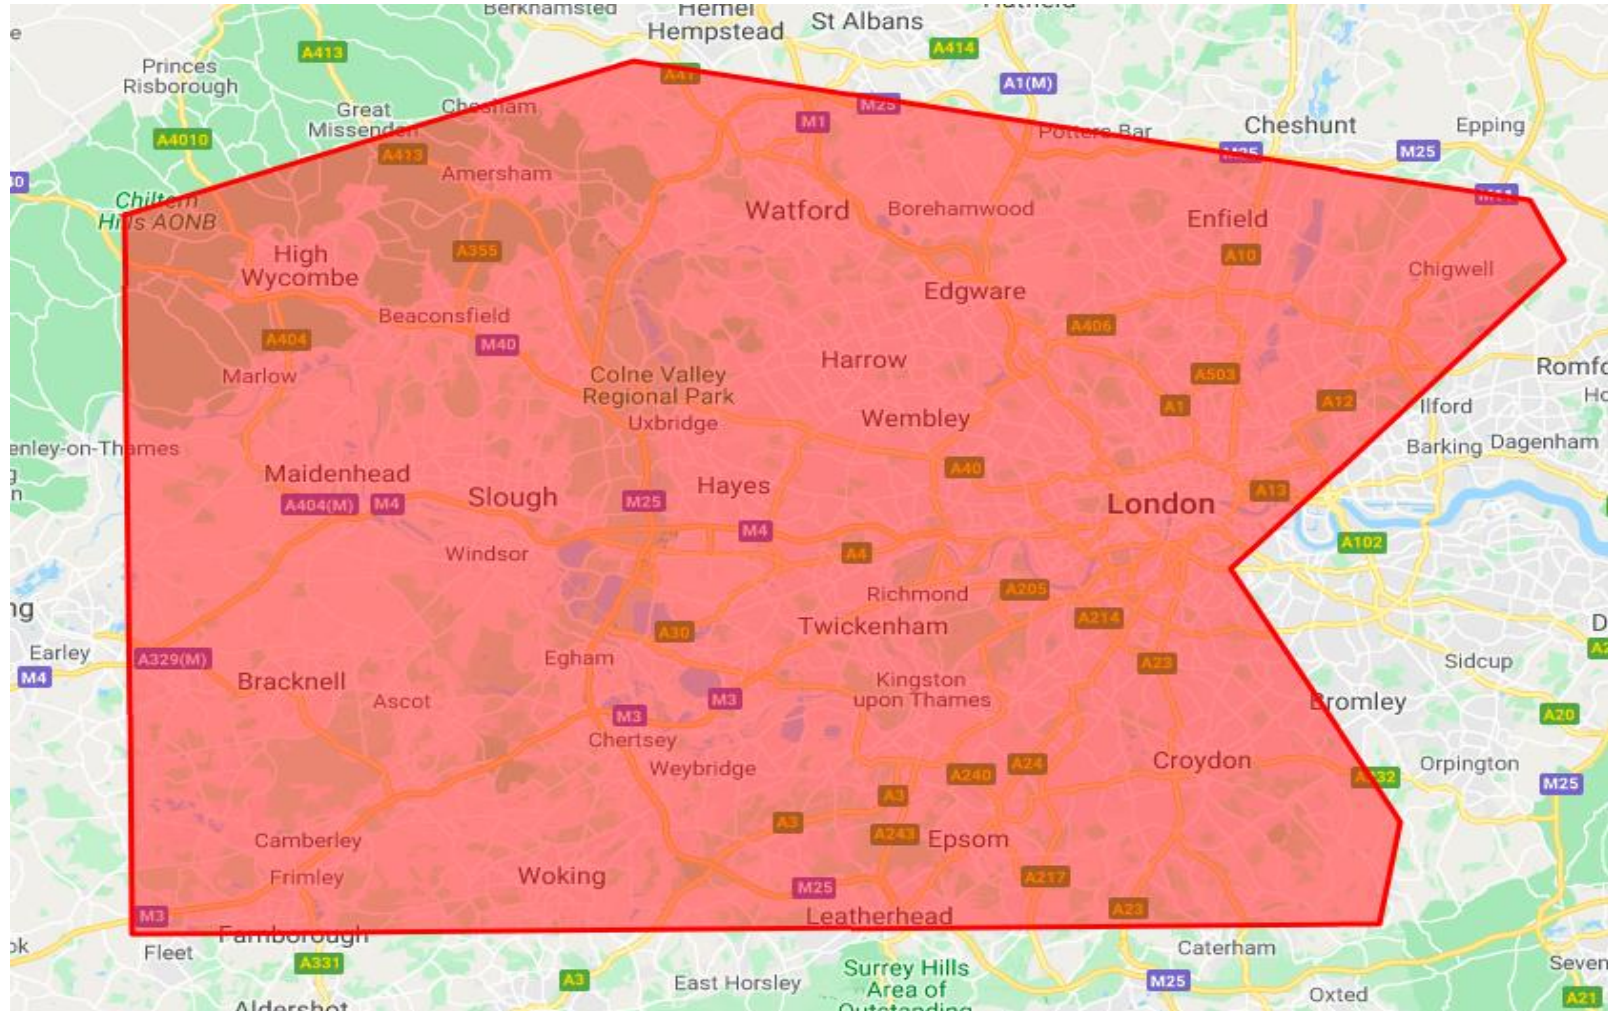

JANUARY 2019

Heathrow

# CAA map of IPA Potentially Affected Area

<https://airspacechange.caa.co.uk/PublicProposalArea>

# HEATHROW FLIES HIGH IN 2018 WITH STRONG GROWTH, EXCELLENT SERVICE AND LOWER COSTS

Heathrow

## EXPANSION

Preferred plan taking shape:

**2019** Public consultation set for June 2019

650 ground investigations at sites around the airport completed

415 MPs back expansion. An overwhelming political mandate – a majority of 296 MPs

## TRADE GROW

Nearly 1.7 million tonnes of trade flowing through Heathrow

## MORE PASSENGERS THAN EVER BEFORE

ALL-TIME HIGH OF PASSENGERS FLYING FROM THE UK'S HUB AIRPORT IN 2018:

## NEW ROUTES

THE UK'S FIRST NON-STOP SERVICE TO AUSTRALIA

With the launch of the Qantas Perth service in 2018

**QANTAS**

**6 NEW CHINA ROUTES FROM HEATHROW**

the UK's only hub airport and primary gateway to China.

**NEW DIRECT FLIGHT TO PITTSBURGH, US IN 2019**

**DOMESTIC CONNECTIONS GROW TO 9**

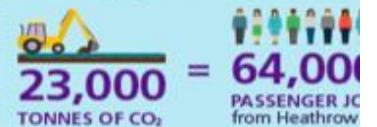

New services to Newquay set to begin in April 2019

## CARBON NEUTRAL GROWTH ROADMAP

New plans to help deliver carbon growth from expanded Heathrow including a £1m prize for the first commercial flight to operate at the new terminal

Heathrow launched the first in a series of pre-restoration projects. Over 30 years, the site will be transformed

T2 is one of the first terminals in the world to be powered by 100% renewable energy

## RETAIL UP

Retail revenue increased to:

**STRONG TRAFFIC PERFORMANCE AND NEW DIGITAL CAPABILITIES LEAD TO HIGH RETAIL SALES**

Retail revenue per passenger:

**STRONG RETAIL SPEND SUPPORTS LOWER AIRPORT CHARGES**

## HUNGRY PASSENGERS IN 2018...

Half of all departing passengers ate at Heathrow

**12 tonnes**  
SMOKED SALMON

Across restaurants and shops at Heathrow

## PASSENGERS LOOKING SMART

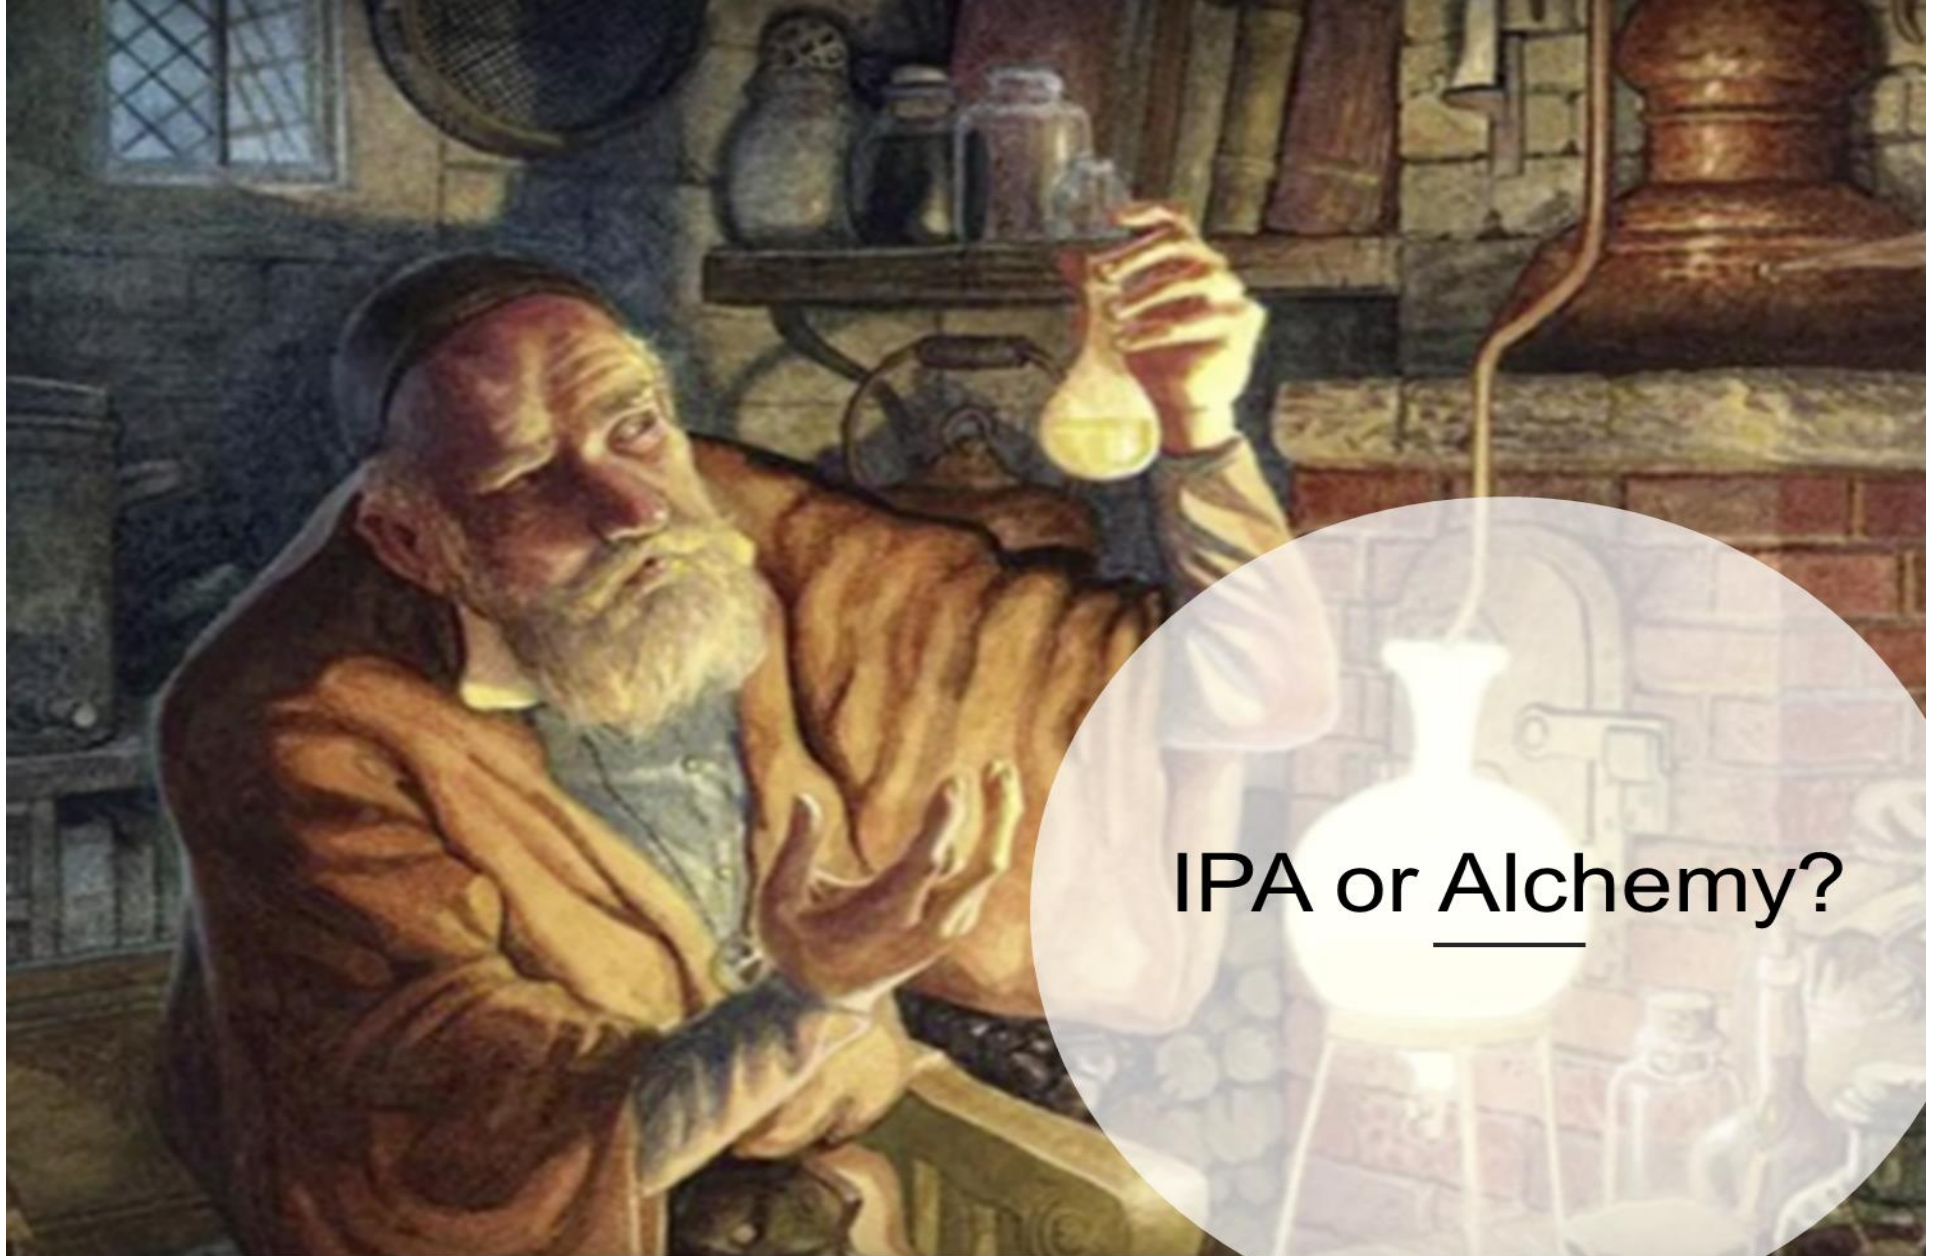

1 Swiss Watch sold every 15 minutes at Heathrow

**OVER 10 miles**

The distance all tie-up in 2018 would stretch (From Heathrow to the end of the football Stadium in London)

## IPA or Alchemy?

Win – Lose

Global Climate Action  
United Nations Climate Change

‘For consultation to be effective, those who are consulted by sponsors should be able to base their views on a reasonable understanding of the situation, clear information about what is proposed and the potential impact of the changes on them, and be able to express their views and have confidence that their views will inform the final proposal’

**Ref : CAP 1616** Airspace Design:

Guidance on the regulatory process for changing airspace design including community engagement requirements.

# Widespread Community Opposition to IPA

"The following HCNF members totally oppose Heathrow's proposed introduction of IPA flight paths which will have a detrimental impact on our residents' health and quality of life"

AN3V

EANAG

Elmbridge residents

EGAG

Richings Park Residents Association

Richmond Heathrow Campaign

TAG

Windlesham Society

*"EANAG totally oppose any introduction of IPA, as it would wake thousands of Ealing residents from 6 am on days when Ealing does not now suffer aircraft noise."*

*"HACAN is opposed to IPAs."*

# Respite - Unanswered Questions

- **What is the definition of respite ?**
- **What is the definition of aircraft noise? All noise or just planes in the air noise? How is this measured?**
- **What is meant by reduction in aircraft noise 1%? 10%? How is this measured ?**
- **What is meant by relief from aircraft noise ? No noise?**
- **The descriptors ‘meaningful’ and ‘valued’ are used in various documents. What do these terms mean – are there different degrees or levels of respite ?**
- **The consultation document – Future Runway Operations suggests that the respite proposals for a 3 runway airport will only provide respite to those who are directly overflown to the east and west – what are the provisions for communities to the north or south ?**
- **What are the health implications for communities who will receive little or no respite?**
