

# Welcome

## Heathrow community and environment **small grants awards 2012**

Heathrow Airport in partnership with Groundwork Thames Valley

The awards are funded by Heathrow's passengers, Heathrow Airport and the Heathrow community relations team, and delivered in partnership with Groundwork Thames Valley. The awards will help groups across the Heathrow area to start projects to support their community and improve their local environment with awards of up to £2,500 awarded four times per year. The scheme is open to schools and community groups – this could be a youth club, residents association, charity, or even a group of like-minded neighbours. The awards are funded in a unique way – foreign and British currency is donated every day by passengers in Heathrow's baggage halls and departure lounges.

Awards will be made to exciting local community projects focussed on five themes: 'reduce, re-use, recycle'; 'climate change and energy'; 'protecting and enhancing our environment'; 'bringing communities together' and 'developing skills'.
