Introduction

This report presents traffic statistics for the UK airports owned and managed by BAA Airports Ltd.

The tables contained in this report have been prepared by the Forecasting and Statistics section of BAA Airports Ltd.

Terms & Definitions

In this report the following definitions have been used:

Calendar Years : 12 months ending December

Passengers

All passengers fall into one of the following categories:

- **Terminal Passenger**

This includes passengers who are changing from one aircraft to another at the specified airport (transfers) as well as those starting or ending their journey at the specified airport.

- **Transit Passenger**

A passenger who arrives at and departs from the specified airport on the same aircraft which is in transit through the airport. Each transit passenger is counted once only, on arrival.

Aircraft Movements

All aircraft movements fall into one of the following categories:

- **Air Transport**

Landings or take-offs by aircraft engaged in the commercial carriage of passengers, cargo or mail.

- **General Aviation**

Landings or take-offs where the whole aircraft is hired and used solely by a person or company for private business or recreational purposes. This category includes air taxi and flying club movements.

- **Other**

All other landings or take-offs. This category includes military, test flights and empty positioning flights

Mail

Post Office mail loaded or off-loaded at the specified airport.

Cargo

All goods (other than airlines' stores, passenger baggage and mail) loaded or off-loaded at the specified airport. It is measured in tonnes (One metric tonne=1,000 kilos)

Types of Service

Air transport movements (including the passengers or cargo thereon) at BAA Airports Ltd are in some cases broken down into the following sub-categories :

- **Domestic**

Flights operating entirely within the United Kingdom, Isle of Man and the Channel Islands.

- **International**

Flights operating to points outside the United Kingdom, Isle of Man and the Channel Islands.

- **Scheduled**

Flights operated to publicly advertised timetables, including relief services to scheduled flights.

- **Non-Scheduled**

All other air transport movements.
