

LANDING RUNWAY ALTERNATION

PROGRAMME FOR YEAR 2012

Column "A" shows the runway to be used and, in brackets the runway to be used if weather conditions (including low visibility) and/or external factors preclude selection of the preferred runway.

Please Note:

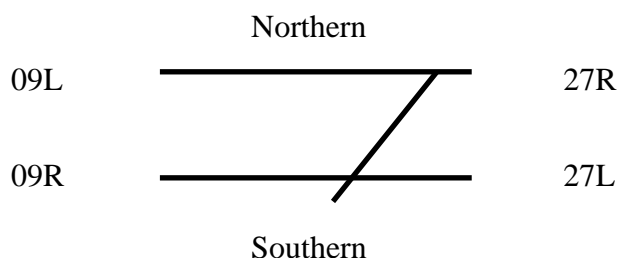

Whilst we have a designated landing runway, between 06:00 - 07:00, Air Traffic Control is able to use both runways for landing aircraft and this is to ease congestion.

27L = Southern Runway on Westerly operations

09R = Southern Runway on Easterly operations
